

2021 Eastern Region Virtual Student Auditions

RULES AND REGULATIONS

PURPOSE

- A. To offer students of member teachers of NATS:
1. Encouragement toward more diligent study in the preparation of appropriate repertoire;
 2. An opportunity to perform under conditions designed to provide the most complete and total consideration for the student, and one which will ideally combine the best elements of non-competitive and competitive performance;
 3. A specific goal, stimulating the desire and incentive for vocal and musical self-improvement;
 4. An opportunity to sing before qualified and impartial judges, and to receive careful and constructive criticism;
 5. Opportunities for public appearance by outstanding students;
 6. Recognition of achievement and talent by appropriate awards.
- B. To provide opportunities for professional growth for NATS members through the sharing of ideas, encountering new repertoire, hearing other teachers' students on an annual basis, and participating in carefully considered evaluations.

ELIGIBILITY AND PROCEDURE

- A. Any student currently studying with an active member in good standing at the national and district or chapter level of NATS is eligible.
- B. If the student has been studying with the sponsoring teacher for less than eight (8) months, acknowledgment must be made of the student's former vocal study both on the application and in any public announcements.** The NATS Code of Ethics provides that "It is unethical to claim as a pupil one having studied less than eight months with a teacher except where there has been no previous training."
- C. All registration and payment of fees for teachers, performers and accompanists must be done online only at www.nats.org.** Hard copies and checks are not accepted. You can find registration instructions once you have logged into your NATS account.

****Registration and payment of fees must be completed by end of day February 12, 2021****

Note: The deadline for video link submissions is February 26, 2021.

- D. Teachers must be available to adjudicate in the Auditions.** All teachers who enter students must be available to adjudicate the Preliminary and Semi-Final/Runoff Rounds. At the discretion of the Auditions Chair, teachers over the age of 65 and/or in ill health may be excused from adjudication. If unable to commit the time to adjudicate, the teacher must supply the name of a qualified substitute judge, **OR submit a Request for Judging Waiver** and pay the appropriate fee. In either case, the teacher may enter

only 2 students. In addition, a waiver may be granted for no more than two consecutive years, after which time the teacher must attend the Auditions in order to enter students.

E. NATS members may enter only their own students in the Auditions. Entering another teacher's students, for whatever reason, is unethical and will result in the disqualification of all concerned.

F. The auditioning student and his/her teacher are responsible for making arrangements for accompaniment. The guidelines for accompanists are outlined in the Video Submission Guidelines on the NATS.org website. A list of acceptable accompaniment options is included.

G. Substitutions in repertoire are permitted up to the deadline for submitting video links on Auditionware as long as the requirements are met. **The deadline is February 26, 2021.**

H. Timings for each selection must be included during the online registration process.

I. All singers and accompanists must perform from lawful editions and observe and obey copyright laws. Please contact the conference chair if you have any questions regarding copyright requirements. *Refer to the NATS Policy on Copyright Laws for more information found at www.nats.org/copyright_info.html.*

J. All selections must be sung from memory, including oratorio arias. No participant will be allowed to sing with music.

K. No repertoire changes are allowed once the preliminary round has begun. The same repertoire is used for all rounds of the Region Student Auditions. Should a student advance to the National Student Auditions, the same repertoire used at the Region auditions must be sung in the national auditions. No repertoire changes will be allowed between regional and national auditions.

NOTE: Any student may, with the teacher's permission, choose to sing for comment only within any classification. This information should be indicated during the registration process and on the adjudication sheets. No restriction on age or length of study should apply. The student will be permitted to sing all prepared selections, provided they fall within time guidelines.

ADJUDICATION AND STRUCTURE OF AUDITIONS

The principal purpose of the Auditions is to give each student a full hearing before qualified and impartial judges, as well as the opportunity to receive careful and constructive criticism. Evaluative comments and ideas are of great value to students and teachers. Each judge should make as comprehensive a critique as time allows, acknowledging achievement and encouraging improvement. Comments that would be embarrassing to the teacher or discouraging to the student must be avoided; no one should be criticized to the point of humiliation or defeat. Since the Auditions are important to the participating students who have made a significant investment in time, energy, and money, the experience should be positive and rewarding. The real competition is between the student and his/her own self-image or self-imposed goals. The preparation for the Auditions and the written constructive criticisms are far more valuable than any award or honor given to the student.

Adjudication Instructions

Thank you for spending time adjudicating the Eastern Region Video Student Auditions. We truly appreciate your role in making this year's auditions a success.

Please adjudicate with your own students in mind: What comments would be most useful? How can you fairly evaluate, score, and comment in a way that will help the student rather than discourage? Please be kind and generous with your comments for each singer! You are also encouraged to use the Classical/Music Theater rubrics included in Auditionware.

Follow these steps to complete your adjudication:

- 1) Log in to the NATS website and go to the **MEMBER HOME** page.
- 2) Scroll down to **NATS AUDITION REGISTRATION** and click on the green button.
- 3) Click on **VIEW MY STUDENTS/ADJUDICATOR SCHEDULE**. Your judging assignment will be listed at the top of the page.
- 4) Before you begin adjudicating, you are asked to watch an 18-minute VIDEO which explains judging processes, the NATS rubrics, and the adjudication form. You must "sign off" as having watched the video before you can continue.
- 5) After you have watched the video, scroll down to see your assigned singers and their video links. Next to the singers' name and video links, click on "ADD" to access the adjudication form.

NOTE: You may take as long as you need to adjudicate but BE SURE TO HIT "SUBMIT" (at the bottom of the page) to save YOUR WORK as you go. You'll get a reminder after about 15 minutes telling you to do this. Then, EDIT to return to the form and complete your adjudication. You will be able to do this as long as you have not entered a final score.

You must complete these tasks to adjudicate each singer:

1. Give a numeric score for Tone, Breathing/Alignment, etc. - slide the blue box icon across the score bar to do this.
2. NOTE: The "Ensemble" score should not figure into your final score - it's a comment only. BUT, please do use the slider to give a score, and make a comment if necessary.
3. Give written comments on each piece. The comments boxes will expand as you type, so there's plenty of room. Please be generous with your comments - students and teachers will be anxious to hear your feedback! The comments should be reflected by your numeric scores in the areas listed - if you give someone a low score in "Tone", the written comments should explain that score.
4. Give a composite score for each singer - bottom right, in the box. This score should roughly reflect the numeric scores you gave in #1. After you've done this, and hit SUBMIT, you are done and may not return to the form to make changes. So, be sure you are completely finished before hitting SUBMIT.

2021 Eastern Region Conference and Student Auditions

Please complete your judging assignment by 1 pm, March 7 (for the Preliminary Round) and end of day March 9 (for the Semi-final Round).
